

Original Programming

THE LIVE FEED Local musicians & local music comes alive on The Live Feed. A twice-weekly show featuring local, live music or recorded live music performances and discussions with local and regional bands. The Live Feed covers a wide variety of music, as well as performances by comedians and actors.

ART BEAT Adding insight and giving you a closer look at local artists, Art Beat airs weekly and features interviews with artists in Winona and around Southeastern Minnesota. Art Beat examines the independent artist community, studio art tours, and fairs. We've got the local art scene covered on KOAL.

CULTURE CLIQUE Take a moment to walk in someone else's shoes. Culture Clique creates awareness and understanding, while exploring the diversity of Winona. The goal of Culture Clique is to familiarize the community with its cultural make up, as well as the new populations of ethnic groups emerging in the surrounding areas.

KQAL is the official voice of Warrior Athletics! Tune in for every WSU Football, Men's & Women's Basketball game as well as coverage of Winona State Baseball & Softball.

KQAL has a FREE app available for your iPhone, & Android! Check it out in the App Store & Google Play!!

KQAL is a member of AMPERS, a network of 18 non-commercial radio stations throughout Minnesota. Visit ampers.org for more information and to explore the archive of programs produced by member stations and KQAL.

KQAL'S original programming is made possible by the Minnesota Arts and Cultural Heritage Fund, a part of the Legacy Amendment approved by voters in 2008. KQAL utilizes this funding to produce programs focusing on the arts, culture, and history of Winona, the area, and the state of Minnesota.

Your Radio Alternative

KQAL is Winona's radio alternative. KQAL is the only full service, independent radio station in Winona and has been serving the area since 1975. There is something for everyone on KQAL: jazz and rock music, public affairs, educational, arts, and culture programs, and WSU Warrior play-by-play action. KQAL is operated by the Mass Communication Department at Winona State University and is staffed primarily by student volunteers. It has a dual mission: to provide career training for students interested in radio broadcasting as well as to provide the residents of southeastern Minnesota and western Wisconsin with quality educational and entertaining programming.
